

XH-M240 Battery Capacity and Discharge Energy Testing Meter For 18650 Lithium-Ion Battery

slug: xh-m240-battery-capacity-and-discharge-energy-testing-meter-for-18650-lithium-ion-battery

TECHNICAL SPECIFICATIONS & SUMMARY

[Battery Capacity Tester] This battery capacity tester is used to test the voltage, discharge capacity, and discharge energy of a 18650 lithium battery. With a dual working power supply, it has high working efficiency and saves your time. It can display discharge capacity and discharge energy. And it supports a parameter memory function, convenient for checking next time. Features: Made of high-quality electronic components Solid, durable, good conductivity and performance Long service life Package Includes: 1 x XH-M240 Battery Capacity and Discharge Energy Testing Meter
